THE WORLD BOOK YEARBOOK, 1969

May, 1969

As a continuation of the publication of the Braille edition of THE WORLD BOOK ENCYCLOPEDIA, Field Enterprises Educational Corporation is again generously paying for the plate-making of the 1969 WORLD BOOK YEARBOOK, although, as for the 1967 and 1968 YEARBOOKS no free copies will be available. Rather, the 1969 YEARBOOK will be available at the printing-and-binding costs only.

The plates for the 1969 YEARBOOK are nearing completion, and copies will be printed during the summer months, as follows:

WORLD BOOK YEARBOOK, 1969. (6 v). Cat. No. 6-5854. $27.30.

Copies may be ordered on quota accounts, or purchased on an accounts-receivable or cash basis.
